Reasons for Vote.

I have grave doubts as to the constitutionality of the bill, but being im-

portuned by a number of my constituents to support it, I am resolving the doubt in their favor and reluctantly vote "yea."

RUSSELL.

I vote "nay" on H. B. No. 4 for the reason that it is my firm opinion that it is unconstitutional. Article 3, Section 52 of the Constitution, says "The Legislature shall have no power to authorize any county * * * to lend its credit or grant public money * * * to any individual, etc." This bill authorizes the counties to issue bonds to raise money to lend to individuals, which bonds will have to be paid out of the revenues of the counties raised by taxation, and is therefore the grant of public money for the aid of individuals, which is clearly prohibited by the provision of the Constitution above quoted.

BUTLER.

Mr. Tillotson moved to reconsider the vote by which the bill was passed to engrossment, and to table the motion to reconsider.

The motion to table prevailed.
